Dear Sir,

Sub: Disclosure of Material Impact of Covid - 19 Pandemic on Listed Company

Pursuant to Regulation 30 of SEBI (LODR) Regulation 2015 with SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020 /84 dated 20th May, 2020, on the Disclosure of Material Impact of Covid - 19 Pandemic, we have to inform you the following:

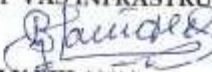

Earlier our Company was badly affected on account of demonetization, RERA Act, including GST and builders were facing acute shortage in working capital facilities including passing through liquidity crunch. The Global Destruction caused by Covid 19 combined with total nation wide lockdown has resulted in a significant economic contraction in India. Hence all our work are completely closed since 20th March, 2020 and none of the employees/workmen are attending plant/office on account of lock down as local trains are not running (closed). This has affected our business very badly for the Year 2019-2020 including the 2020-2021 (current year).

Due to uncertainty prevailing in terms of its spread and control, we are unable to present the exact impact of this Covid-19 Pandemic on our business, but we will continue to assess the situation on an going basis.

This is for your information and record please.

Thanking you,

Yours faithfully,
For VAS INFRASTRUCTURE LIMITED
